I was in Italy on business in late October and I was invited to dinner by an Italian business colleague . I WANTED to take her a present so I WENT to the market to buy some flowers.

As I said, it was late October and so the chrysanthernums WERE especially beautiful. I

BOUGHT some yellow ones. Then I went to my colleague's house and the bell RANG.

When she opened the door, I GAVE her the flowers, and I smiled. But I could tell that something was wrong because her face LOOKED so strange. She THANKED me politely but I could see she wasn't pleased.
