

ACCESO MAYORES DE 25- UNIVERSIDAD REY JUAN CARLOS-AÑO 2013-INGLÉS RESUELTO

1.

a) True. Glamping really originated in the early 1900's with the popularization of the safari.

b) True. A new tendency of glamping has emerged with luxury camping resorts, safari camps, eco-resorts

and campgrounds offering every amenity imaginable, from 5-star diners to sensuous spas.

c) False. Many modern people that attended a concert thought about the idea of avoiding the decoration of a

hot tent on a dirty field to enjoy a show or the wonders of nature.

d) False. We have to emphasize that while glamping may still be a small market.

2.

Key Ideas

a) Luxury, rich clients, nature and comfort as opposed to insects and dirty fields and no luxury at all.

b) It was born when the safari appeared and this was associated to people looking for luxury and

comfortable places to stay instead of suffering the inconvenience of Africa, for example.

3. Synonyms

a) entire

b) every

c) considering

d) types

e) needs
